

Terms and Conditions for FULL TIME Phlebotomists – Home Sample Collection Services

1. Appointment and Employment

1. The phlebotomist is appointed as a Full-Time Employee for home sample collection services.
2. The phlebotomist shall perform duties assigned through the company mobile application (“App”) and follow all operational guidelines issued by the company.
3. Employment may be subject to verification of educational qualifications, identity proof, address proof, and experience certificates.

2. Duty Timings and Attendance

1. The phlebotomist must adhere to the official working hours assigned by the company.
2. Daily attendance shall begin only after successful login into the App.
3. The phlebotomist must remain available during assigned shifts unless prior leave approval is obtained.
4. Repeated late login, absenteeism, or unavailability during duty hours may result in disciplinary action.

3. App Login and Logout Procedure

1. The phlebotomist must:
 - a. Login personally using authorized credentials.
 - b. Mark availability status correctly.
 - c. Accept and complete assigned bookings promptly.
2. Sharing login credentials with others is strictly prohibited.

3. At the end of duty hours, the phlebotomist must:
 - a. Update all collection statuses.
 - b. Confirm sample handover details.
 - c. Logout properly from the App.
4. Failure to update job completion before logout may affect attendance and payment processing.

4. Dress Code and Professional Appearance

1. The phlebotomist must maintain a professional appearance during duty hours.
2. Mandatory dress code includes:
 - a. Clean company-approved uniform/scrubs
 - b. Valid ID card visibly displayed
 - c. Face mask and gloves during sample collection
 - d. Closed footwear suitable for medical work
3. Personal hygiene and grooming standards must be maintained at all times.
4. Wearing inappropriate clothing, slippers, or untidy uniforms during duty is prohibited.

5. Selfie Upload with Collection Kit

1. Before starting daily field duties, the phlebotomist must upload a live selfie through the App.
2. The selfie must clearly show:
 - a. Face of the phlebotomist
 - b. Uniform and ID card
 - c. Sample collection kit and safety materials
3. The uploaded selfie acts as attendance and readiness verification.
4. Failure to upload the required selfie may result in suspension of bookings or attendance rejection.

6. Sample Collection Responsibilities

1. The phlebotomist must follow all standard operating procedures (SOPs) for sample collection.
2. Patient identity must be verified before collecting samples.
3. Samples must be:
 - a. Collected safely and hygienically
 - b. Properly labeled
 - c. Packed according to laboratory standards
4. Biomedical waste disposal procedures must be strictly followed.
5. Any negligence causing recollection, contamination, or patient complaint may attract disciplinary action.

7. Transportation and Handover Responsibility

1. The phlebotomist is fully responsible for the collected samples from the time of collection until delivery to the designated processing center.
2. Proper temperature maintenance and safe handling must be ensured during transportation.
3. Any loss, leakage, contamination, delay, or damage caused due to negligence shall be the responsibility of the phlebotomist.
4. Samples must be handed over only to authorized personnel at the processing center.

8. Payment and Salary Terms

1. Salary and incentives shall be paid according to the company employment agreement.
2. Payment eligibility depends on:
 - a. Attendance compliance
 - b. Proper completion of assigned collections
 - c. Timely reporting and documentation

3. Any deductions due to absenteeism, negligence, misconduct, or damages shall be applicable as per company policy.

9. Patient Conduct and Professional Ethics

1. The phlebotomist shall behave respectfully and professionally with all patients and family members.
2. Harassment, rude behavior, abusive language, or misconduct is strictly prohibited.
3. The phlebotomist shall not demand extra money, tips, or personal favors from patients.

10. Confidentiality and Data Protection

1. All patient information and medical records are strictly confidential.
2. Sharing patient data, addresses, reports, photographs, or contact details with unauthorized persons is prohibited.
3. Violation of confidentiality may result in legal action and termination.

11. Safety and Compliance

1. The phlebotomist must comply with:
 - a. Biomedical waste management rules
 - b. Infection control protocols
 - c. Safety guidelines issued by the company
2. Use of sterile and approved consumables is mandatory.
3. Any accidental injury or exposure incident must be reported immediately.

12. Company Property

1. Collection kits, uniforms, ID cards, ice boxes, and medical consumables provided by the company remain company property.
2. Damage or loss of company property due to negligence may result in recovery charges.

13. Disciplinary Action and Termination

The company reserves the right to suspend or terminate employment in cases including but not limited to:

- Misconduct
- Fake attendance
- Sample mishandling
- Fraudulent activities
- Repeated patient complaints
- Unauthorized absence
- Breach of confidentiality
- Violation of company policies

14. Amendments

The company reserves the right to modify these Terms and Conditions at any time. Updated policies shall be communicated through official channels or the App.

15. Acceptance Declaration

I hereby confirm that I have read, understood, and agreed to comply with all the above Terms and Conditions of employment and operational responsibilities.
